

HOST YOUR OWN PET SUPPLIES DONATION DRIVE

Hosting your own pet supplies donation drive for the Hawaiian Humane Society directly supports O'ahu's most vulnerable pets and helps strengthen our animal-loving community. Every contribution makes a meaningful difference for local animals in shelters. Here's how you can get involved and make an impact:

- **Choose a convenient date, time, and location to collect pet food and supplies.** Some people hold a drive over one or two weeks, while others prefer to host a single-day event with a strong call to action. Pick what works best for you!
- **Spread the word to your friends, family, and community.** This will help amplify your message and inspire others to get involved. The more people who know about your drive, the greater the impact you can make together.
- **Collect the following supplies:**
 - Unopened, unexpired dry/wet dog food
 - Unopened, unexpired dry/wet cat food
 - Unopened, unexpired dog/cat treats
 - Collars/harnesses (all sizes)
 - Leashes (non-retractable)
 - Cat litter
 - Clean towels and blankets
 - Reusable tote bags
 - Gallon-size Ziploc bags
 - Newspaper and shoe boxes
- **Coordinate a date/time to drop off the supplies at one of Hawaiian Humane's two campuses in Mō'ili'ili or Ho'opili.** Our team can support a photo opp of the drop-off. Be sure to tag us on socials @HawaiianHumane for cross-promotion!
